# 2026 Collectible of the Year

Zippo's 2026 Collectible of the Year is a celebration of Generations: from the four generations of Blaisdell family leadership to multiple generations of Zippo employees, customers and collectors, Zippo is honoured to share its legacy with so many families around the world.

Four concentric circles, representing the four generations of Blaisdell family leadership, center on a red epoxy-filled Zippo flame icon on the Armor® Black Ice® case. From there, the MultiCut design radiates around each side in an endless ripple effect, symbolizing the multiple generations of Zippo employees, fans and collectors to whom Zippo owes its success.

Each keepsake features a black-coated steel insert and is consecutively numbered, authenticated with a Luxury bottom stamp and comes packaged with a commemorative booklet that features names and stories from multi-generational employees, customers and collectors around the world.

**Orders will begin shipping in Spring 2026.**

## 2026 Harley-Davidson® Limited Edition Lighter of the Year

Head full-throttle into the season with the 2026 Harley-Davidson® Limited Edition Lighter of the Year.

Set on a classic Tumbled Brass model, the iconic swooping eagle clutches a Harley-Davidson® Motorcycles badge in a fierce 540 Fusion design. The patriotic artwork seamlessly extends around to the reverse side, where "2026 Limited Edition" is luxuriously etched with our Lustre process. Finally, the Harley-Davidson® wordmark is revealed in rich brass tones along the non-hinge side. This piece is only available to order in 2026, so be sure to make this keepsake the centerpiece of your display – and your customers' collections.

## Jack Daniel's® x WOODCHUCK USA

Three iconic American brands - Zippo, Jack Daniel's® and WOODCHUCK USA - have come together to create this one-of-a-kind lighter. This special-edition lighter was crafted using real barrel wood that once aged Jack Daniel's® Tennessee Whiskey to its signature perfection.

This lighter is not only unique: it also makes a substantial sustainable impact. Through WOODCHUCK USA's "BUY ONE. PLANT ONE." program, a tree will be planted for every lighter purchased. To learn more about the initiative and to locate your tree, visit [zippo.com/buyoneplantone](http://zippo.com/buyoneplantone).

Production will be extremely limited, so add this premium showpiece to your display today.

## Premium Custom Imprint Methods

All models below require special handling due to the unique processes and methods on each piece. Several model styles below require minimum quantities, tooling charges and special lead times, as well as specific art files. Contact your Zippo Sales Representative for more information.

### Lustre

Restricted to plated finishes, the Lustre process recreates a design with intricate etching, which is then plated to add both depth and durability. Can be combined with 540 Fusion.

- Base model restrictions apply
- Art constraints apply

#24751

### Fusion

A combination of specific pre-determined colour palettes and chrome breaks creates an iridescent, metallic look.

- Base model restrictions apply
