## Jack Daniel's® x WOODCHUCK USA

Three iconic American brands – Zippo, Jack Daniel's and WOODCHUCK USA - have come together to create this one-of-a-kind lighter. This special-edition lighter was crafted using real barrel wood that once aged Jack Daniel's Tennessee Whiskey to its signature perfection.

This lighter is not only unique; it also makes a substantial sustainable impact. Through WOODCHUCK USA's "BUY ONE. PLANT ONE." program, a tree will be planted for every lighter purchased. To learn more about the initiative and to locate your tree, visit [zippo.com/buyoneplantone](http://zippo.com/buyoneplantone).

Production will be extremely limited, so add this premium showpiece to your display today.

## Candle Lighters and Candles

### Rechargeable Candle Lighter

Zippo's Rechargeable Candle Lighter combines the functional elegance of our FlexNeck candle lighters with the latest, most convenient technology on the market. Instead of a typical butane flame, the Rechargeable Candle Lighter emits a small but powerful plasma arc that quickly ignites even the most stubborn or hard-to-reach wicks. After up to 40 ignitions, the lighter easily recharges with the included USB cord.

- Reach deep into jar candles
- Flex to ignite grills
- Quickly light fireplace tinder
- Light birthday candles with style
