Dear Valued Customer,

Please be advised that Mondelez Canada will not be treating their products as zero-rated for the period from December 14, 2024, to February 15, 2025. During this time, please ensure MDLZ invoices are processed as per normal process. We are closely monitoring the situation as regulations are finalized and are staying in close contact with our industry association. Should there be any future relevant guidance from the CRA, we will promptly communicate any applicable updates.

We appreciate your understanding during this transitional period.

Sincerely,

Eric Carrier  
Head of Finance, Mondelēz Canada
